

# Travelling/Camping Accessories

**Double Jerry Can Holder**  
Used for plastic and metal jerry cans. Completely rubber lined with simple strong over-centre catch and optional padlock locking system.

**Shade Clamps**  
These heavy duty brackets bolt on to the rack, to secure your pull out awning . Perfect for camping.

**Pipe Clamps**  
Brackets for the attachment of P.V.C. tubing - Attaches simply to your roof rack.

**Spare Wheel J-Bolt**  
These clamp your spare firmly with no movement. Two J-Bolt are recommended for heavy four wheel driving. Quick and easy to use.

**Hi Lift Jack Holder**  
A very handy accessory used to store your kangaroo jack - a secure and sturdy locking system is also available.

**Spotlight/Aerial Holder**  
Handy spotlight and aerial bracket. Easy to install, tough and durable.

## Spare Wheel Storage

**Spare Wheel T-Bolt**  
Fastens to the rack base as a more permanent system - comes with a shaped fitting to centre the wheel. A firmer fixing for heavy duty applications

## Recovery Gear Storage

**Universal Holder**  
Useful for storing a range of items i.e. poles, shovels, paddles, masts for wind surfers - no one should be without one.

## Mining Accessories

**Beacon Plate**  
Clamps onto the side rails of rack to securely mount beacon or strobe lights.
